

This diagram illustrates the assembly of a mechanical unit, likely a pump or motor. The central component is a rectangular housing (1) which contains internal gears (16, 39) and a shaft (21). A motor (6) is shown at the bottom right, connected to the housing. Various components are numbered for identification:

- Motor and Drive Components:** Motor (6), drive shaft (21), gears (16, 39), and various bearings and seals (e.g., 7, 23, 43, 44).
- Housing and Mounting:** Main housing (1), mounting brackets (3, 4, 5, 60), and fasteners (e.g., 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 22, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64).
- Accessories:** A control panel (56) and a power cord (57) are shown at the bottom left.

The diagram includes detailed views of the internal assembly and the external components, with lines indicating the assembly sequence and fit.
